

FIRE POLICY CARDS

Tundra

<p>Grass fires should continue to be set as they have been in the past.</p>	<p>All wildland fires should be put out.</p>
<p>Fires in peat bogs should be put out even though they may have smoldered for over a year.</p>	<p>Large areas that have lichen growth that may take 50 years or more to regrow should have fires fought.</p>
<p>We should let all fires burn.</p>
