

BOREAL FOREST AND TUNDRA CROSSWORD PUZZLE

Grade Level: 6-12

Alaska State Content Standards: none

Subject: Science

Skills: Vocabulary building

Duration: 25 minutes

Group Size: individual

Setting: indoors

OBJECTIVE

Students will be able to define the terms used when describing boreal forest and tundra ecosystems or fires.

TEACHING STRATEGY

Students will complete crossword puzzles.

- Puzzle #1 (easy)
- Puzzle #2 (moderate)
- Puzzle #3 (difficult)

PROCEDURE

1. Review the terms on the crossword puzzles. Give one or more puzzles to each student and have them complete.
2. When everyone is finished, review the vocabulary words and their meanings.

EVALUATION

The puzzles can be used as the evaluation.
