	8	192	181	195	150	193	182.2
	9	691	20	682	18	634	409.0
	10	13	11	8	10	13	11.0

Most of these harvest totals do not include unreported harvest which may be substantial, and can even exceed the reported harvest for black bear where sealing is not required, or for caribou. In addition most harvest totals do not include harvest from federal hunts. Information is from the harvest/sealing files posted on 7/31/04 by Information Management. Some of the numbers for caribou are estimated harvest, provided by area biologists. Reported harvest for the 2003-2004 regulatory year is preliminary.
