SPECIFIC SITE		RESEARCH/ MANAGEMENT SITE	
GENERAL LOCATION		WATER ROUTE	
GENERAL AREA OF TRAIL USE		MULTIPLE USE	

Land status is not portrayed on these maps. Public access may or may not be allowed at the present time depending on the policies of the landowner. Users should consult ADNR and BLM regarding land status and should also consult with the present landowner or land manager regarding allowed access. Identified access sites and routes are general and should not be used for navigational purposes. ADF&G disclaims any responsibility for claims resulting from errors in these data.
