

Bear Biology Association Conference Series No. 3

Bears

— Their Biology and Management

Papers of the Fourth
International Conference on Bear Research
and Management

KALISPELL, MONTANA, USA
February 1977

Sponsors and Financial Support
Bureau of Land Management
National Park Service
U.S. Fish and Wildlife Service
U.S. Forest Service

This document is copyrighted material.

Alaska Resources Library and Information Services (ARLIS) is providing this excerpt in an attempt to identify and post all documents from the Susitna Hydroelectric Project.

This book is identified as **APA no. 2731** in the Susitna Hydroelectric Project Document Index (1988) compiled by the Alaska Power Authority.

It is unable to be posted online in its entirety. Selected pages are displayed here to identify the published work.

The book is available at call number "QL737.C27I5 1977 4th" in the ARLIS general collection.

Bear Biology Association Conference Series

bears
— their biology
and management

A selection
of papers from the
Fourth International Conference
on Bear Research and Management
held at
Kalispell, Montana, USA
February 1977

Edited by
Clifford J. Martinka
Katherine L. McArthur

and published by
The Bear Biology Association
1980

CONTENTS

PART I. CONCEPT OF CRITICAL HABITAT AS APPLIED TO GRIZZLY BEARS		
<i>Biological considerations in the delineation of critical habitat.</i> Richard R. Knight -----	1	
<i>Legal aspects of critical habitat determinations.</i> Robert D. Jacobsen -----	5	
<i>Critical habitat and other resource programs in relation to grizzly bear management.</i> Edward R. Schneegas and Carl R. Frounfelker -----	9	
PART II. COMPUTERS AND MODELS IN BEAR RESEARCH AND MANAGEMENT		
<i>The Bear Bibliography Project.</i> Frederick C. Dean and Diane M. Tracy -----	13	
<i>Bears in models and in reality - implications to management.</i> F. L. Bunnell and D. E. N. Tait -----	15	
<i>Exploration of optimal backcountry travel patterns in grizzly bear habitat.</i> Thomas W. Stuart -----	25	
<i>A computerized system for recording and recalling grizzly bear reports.</i> Gayle Joslin and Jane Kapler -----	33	
PART III. ANATOMY AND PHYSIOLOGY OF BEARS		
<i>Biochemical variation in the black bear.</i> Michael N. Manlove, Ramone Baccus, Michael R. Pelton, Michael H. Smith, and David Graber -----	37	
<i>Further evidence for hibernation of bears.</i> G. Edgar Folk, Jr., Jill M. Hunt, and Mary A. Folk -----	43	
<i>Sex, age, and seasonal differences in the blood profile of black bears captured in northeastern Pennsylvania.</i> George J. Matula, Jr., James S. Lindzey, and H. Rothenbacher -----	49	
<i>Use of the cataleptoid anesthetic CI-744 for chemical restraint of black bears.</i> Glenn R. Stewart, John M. Siperek, and Vernon R. Wheeler -----	57	
PART IV. BLACK BEARS IN JAPAN		
<i>Population characteristics of the Japanese black bear in Hakusan National Park, Japan.</i> Masamitsu Hanai -----	63	
<i>Damage to conifers by the Japanese black bear.</i> Hiroyuki Watanabe -----	67	
<i>Impact of human activities on survival of the Japanese black bear.</i> Shigeru Azuma and Harumi Torii -----	71	
<i>Relationships between occurrence of bear damage and clearcutting in central Honshu, Japan.</i> Kengo Furubayashi, Kenichi Hirai, Koichi Ikeda, and Tamio Mizuguchi -----	81	
PART V. BIOLOGY OF POLAR BEARS		
<i>Natural and synthesized aggressive sounds as polar bear repellents.</i> Donald R. Wooldridge and Peter Belton -----	85	
<i>Age determination of live polar bears.</i> Richard J. Hensel and Fred E. Sorensen, Jr. -----	93	
<i>Alaskan polar bear denning.</i> Jack W. Lentfer and Richard J. Hensel -----	101	
<i>Population characteristics of Alaskan polar bears.</i> Jack W. Lentfer, Richard J. Hensel, James R. Gilbert, and Fred E. Sorensen -----	109	
<i>Distribution and structure of dens of female polar bears in Wrangel Island.</i> S. E. Belikov -----	117	
<i>Data on the winter ecology of the polar bear in Wrangel Island.</i> S. M. Uspenski and S. E. Belikov -----	119	
PART VI. BIOLOGY, ECOLOGY, AND MANAGEMENT OF BLACK BEARS IN EASTERN HABITATS		
<i>Denning and related activities of black bears in the Coastal Plain of North Carolina.</i> Robert J. Hamilton and R. Larry Marchinton -----	121	
<i>Species planning: An approach to black bear management and research in Maine.</i> Roy D. Hugie -----	127	
<i>Dynamics of home range and movements of adult black bears in northeastern Pennsylvania.</i> Gary L. Alt, George J. Matula, Jr., Floyd W. Alt, and James S. Lindzey -----	131	
<i>Black bear/human conflicts in the Great Smoky Mountains National Park.</i> Francis J. Singer and Susan Power Bratton -----	137	
<i>Seasonal foods and feeding ecology of black bears in the Smoky Mountains.</i> Larry E. Beeman and Michael R. Pelton -----	141	
<i>Den selection by black bears in the Great Smoky Mountains National Park.</i> Michael R. Pelton, Larry E. Beeman, and Daniel C. Eagar -----	149	
<i>Curiosity in the American black bear.</i> Ellis S. Bacon -----	153	
<i>Preliminary analysis of female reproductive tracts from Pennsylvania black bears.</i> Walter S. Kordek and James S. Lindzey -----	159	
<i>Fostering black bear cubs in the wild.</i> Stephen H. Clarke, John O'Pezio, and Charles Hackford -----	163	
<i>Chemical aversion conditioning of polar and black bears.</i> Donald R. Wooldridge -----	167	
PART VII. BIOLOGY, ECOLOGY, AND MANAGEMENT OF BLACK BEARS IN WESTERN HABITATS		
<i>Some aspects of black bear ecology in the Arizona chaparral.</i> Albert L. LeCount -----	175	
<i>Home range activities and reproduction of black bears in west-central Idaho.</i> Doyle G. Reynolds and John J. Beecham -----	181	
<i>Black bear hunting to reduce forest damage.</i> Richard J. Poelker and Lowell D. Parsons -----	191	
<i>Black bear management in Sequoia and Kings Canyon National Parks.</i> Maurice J. Zardus and David J. Parsons -----	195	
<i>Some population characteristics of two black bear populations in Idaho.</i> John Beecham -----	201	
<i>Black bear management in Yosemite.</i> Dale R. Harms -----	205	
<i>Harvest and population characteristics of black bears in Oregon (1971-74).</i> Frederick G. Lindzey and E. Charles Meslow -----	213	
<i>Habitat utilization by black bears in northern California.</i> David G. Kelleyhouse -----	221	
PART VIII. BIOLOGY, ECOLOGY, AND MANAGEMENT OF EURASIAN BROWN BEARS		
<i>The brown bear in Poland.</i> Tadeusz Buchalczyk -----	229	
<i>Bear management and sheep husbandry in Norway, with a discussion of predatory behavior significant for evaluation of livestock losses.</i> Ivar Mysterud -----	233	
<i>Status of the brown bear in the Pyrenees.</i> Peter R6ben -----	243	
<i>Defecation rates of captive brown bears.</i> Hans U. Roth -----	249	

<i>The brown bear in Sweden – distribution, abundance, and management.</i> Anders Bjärvall -----	255	<i>Seasonal movements of an Alaska Peninsula brown bear population.</i> Leland P. Glenn and Leo H. Miller-----	307
<i>On the distribution of the brown bear in Bulgaria.</i> Georgie Markov-----	259	<i>Morphometric characteristics of brown bears on the central Alaska Peninsula.</i> Leland P. Glenn-----	313
<i>Ecology of the brown bear in the Enisei taiga.</i> B. P. Zavadski-----	261	<i>The ecology of winter den sites of grizzly bears in Banff National Park, Alberta.</i> G. William Vroom, Stephen Herrero, and R. T. Ogilvie----	321
PART IX. BIOLOGY, ECOLOGY, AND MANAGEMENT OF GRIZZLY BEARS			
<i>Brown bear management in southeastern Alaska.</i> Loyal Johnson-----	263	<i>Time-lapse cameras as an aid in studying grizzly bears in northwest Wyoming.</i> Ronald E. Ball----	331
<i>Review of oil and gas exploitation impacts on grizzly bears.</i> Allen Schallenger-----	271	<i>Possible impacts of hunting on the grizzly/brown bear, a threatened species.</i> Stephen F. Stringham	337
<i>Responses of grizzly bears to hydrocarbon exploration on Richards Island, Northwest Territories, Canada.</i> Lee Harding and John A. Nagy-----	277	<i>Factors influencing human-grizzly bear interactions in a backcountry setting.</i> James M. Chester-----	351
<i>The natural food habits of grizzly bears in Yellowstone National Park, 1973-74.</i> Stephen Patrick Mealey-----	281	<i>Movements of radio-instrumented grizzly bears within the Yellowstone area.</i> Steven L. Judd and Richard R. Knight-----	359
<i>Brown bear movements and habitat use at Karluk Lake, Kodiak Island.</i> Vernon D. Berns, Gerry C. Atwell, and Daniel L. Boone-----	293	<i>The reintroduction of orphaned grizzly bear cubs into the wild.</i> Charles Jonkel, Peter Husby, Richard Russell, and John Beecham-----	369
<i>Brown bear summer use of alpine habitat on the Kodiak National Wildlife Refuge.</i> Gerry Atwell, Daniel L. Boone, Jack Gustafson, and Vernon D. Berns-----	297	PART X. MONOGRAPH	
		<i>A proposed delineation of critical grizzly bear habitat in the Yellowstone region.</i> John J. Craighead-----
