LAND STATUS / ADMINISTRATION

HISTORIC SIGNIFICANCE

Operated by David Mutchler. Schedule in 1917. LV 7:30 and 10:00 AM, 1:30 and 4:00 PM
 Eight miles of surface tramway with wooden rails from Flat to Iditarod.
 Model-T locomotive. Carried gold to Merchant's Bank in Iditarod.

TONY GULACZE HAS PICTURES

Originally constructed to transport dredge parts from Iditarod to Flat by the ~~Iditarod~~ ~~Iditarod~~ ~~Iditarod~~
 Dredge worked Flat to Iditarod from upper part toward water (in reverse so a series of ~~manmade~~
 dikes rather than dredge piles impounded water) - Tony Gulacze photo collection 2/25/88
