

Pebble Project Overview

Agency Presentation

January 31, 2012

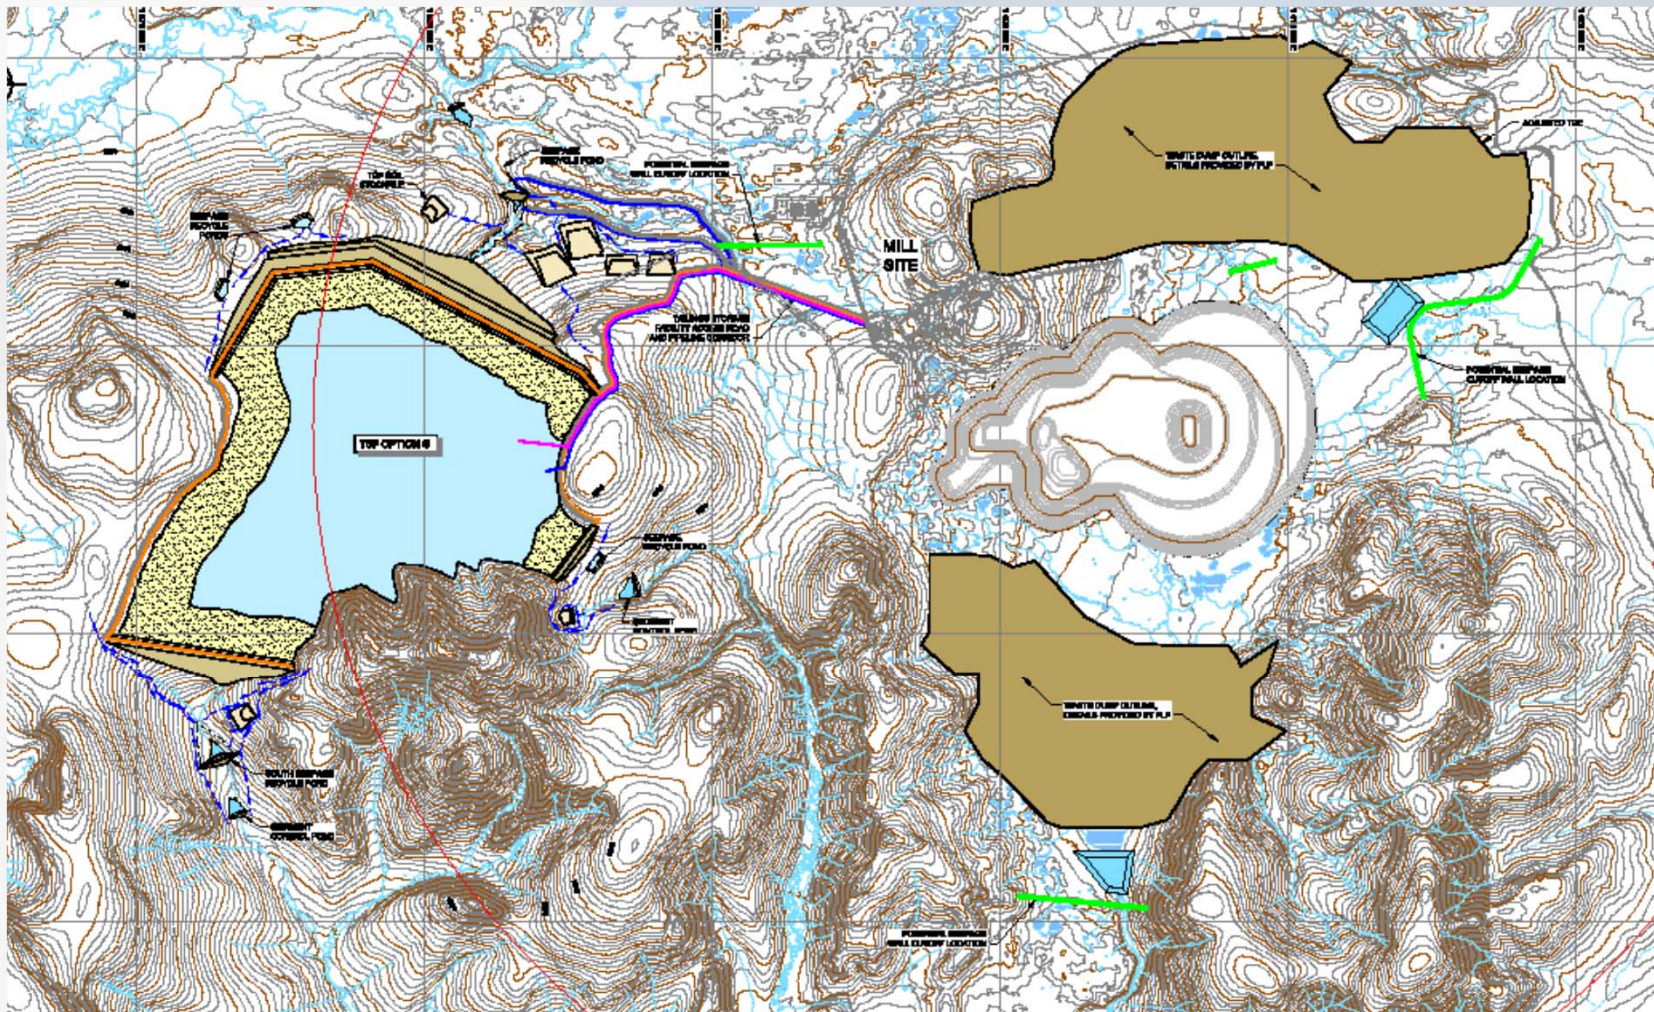

Pebble Location

Environmental Protection

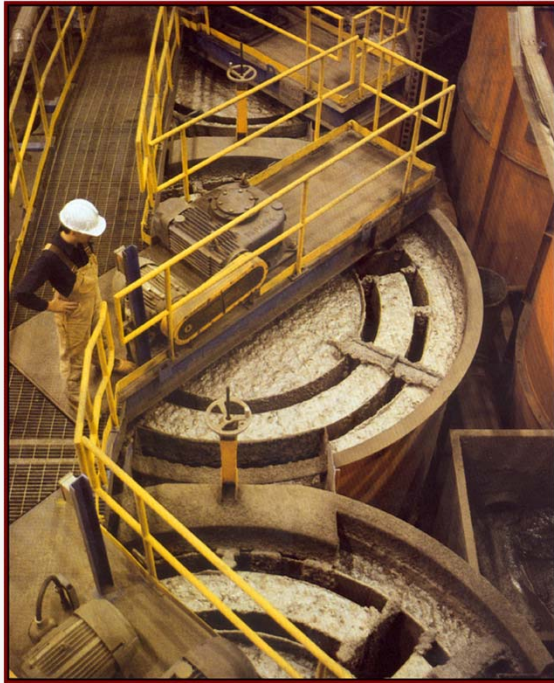

Potential Site Layout

Mining

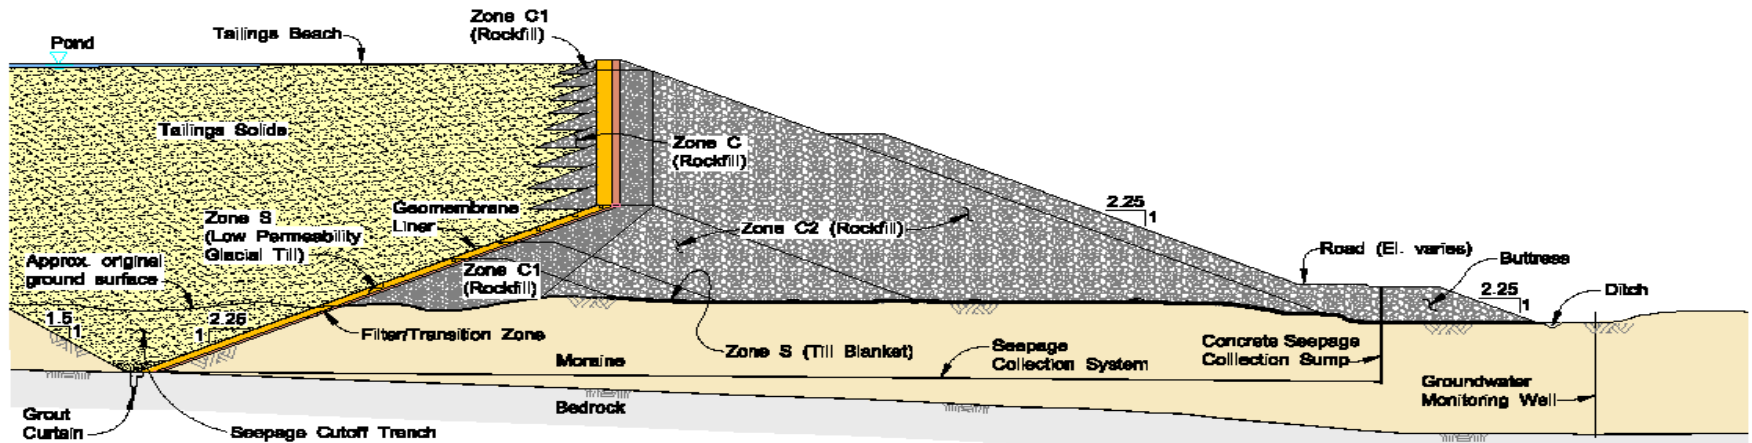

Process

- **Primary separation**
 - Grinding
 - Flotation
 - Dewatering
- **Molybdenum separation**
- **Energy consumption**
 - Grinding
- **Secondary gold recovery**

Plant Construction

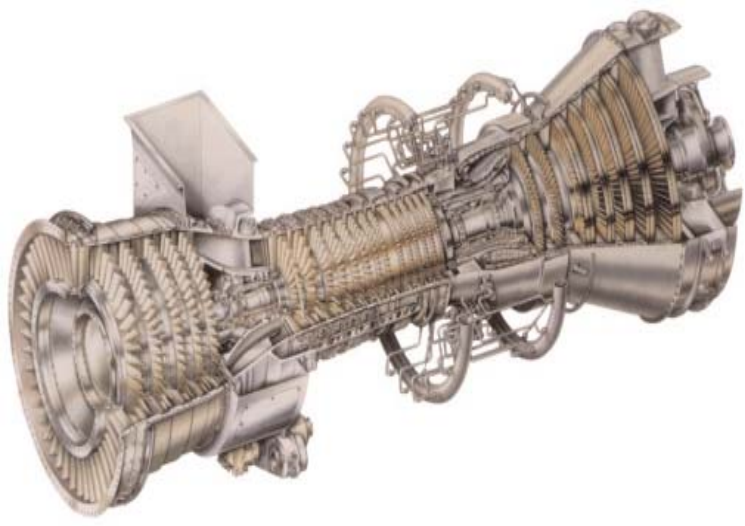

Tailings Design

Tailings Disposal

Power Plant Options

Transportation Infrastructure

Potential Road Route

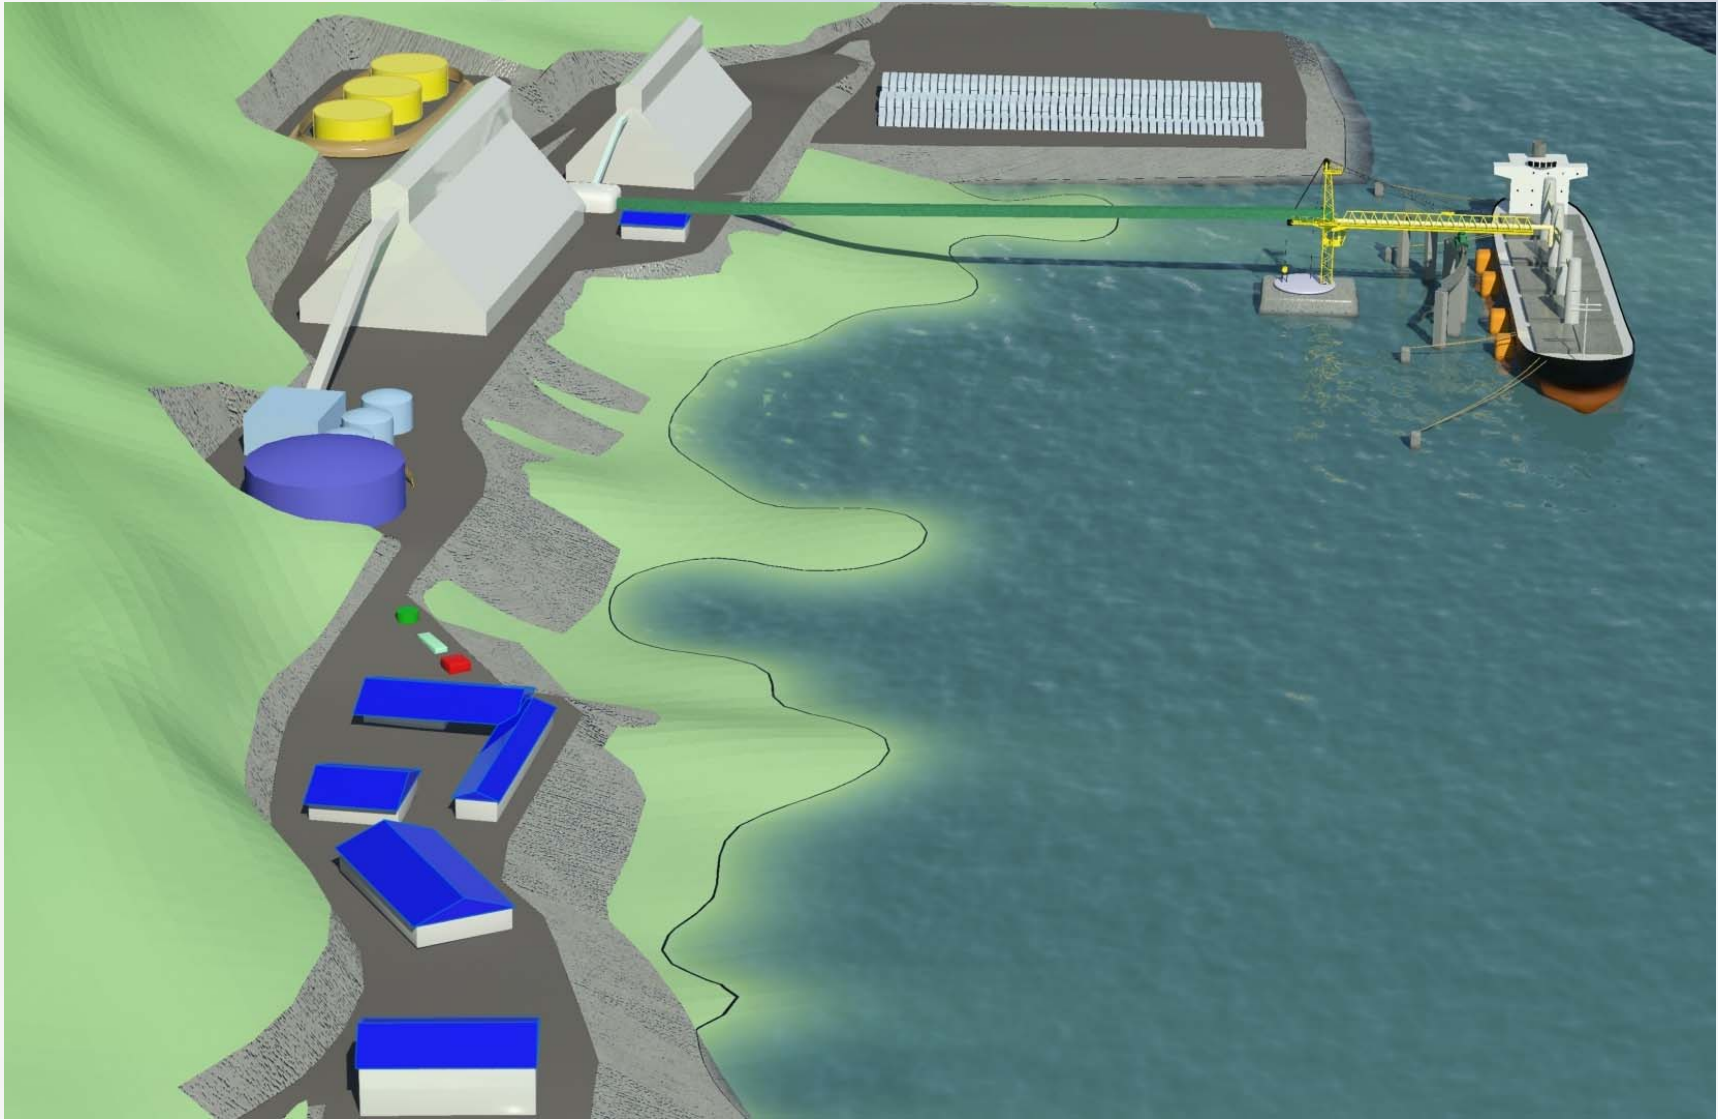

- **Cu Concentrate**
- **Reclaim water**
- **Diesel fuel**
- **Natural gas**

Pipelines

Possible Port Layout

Closure Plan
