SPORT FISH DIVISION

Rupert E. Andrews, Director

This booklet is intended as a directory of sport fishing resorts and charter services in Alaska and does not constitute endorsement by the State of Alaska. Additional information and prices may be obtained by writing directly to the operators listed.

A sport fishing license is required and must be in the possession of all persons 16 years of age and older while fishing in the State. Licenses may be purchased by mail from the Department of Revenue, Fish and Game License Division, 240 South Franklin Street, Juneau, Alaska 99801. They are also sold by license vendors in cities throughout the State. The yearly nonresident sport fishing license fee is \$30; however, a special 1-day visitor's license may be purchased for \$5 or a 10-day visitor's license for \$15. With your license, you will receive a copy of *Alaska Sport Fishing Seasons and Bag Limits* which is a summary of the sport fishing laws of the State.

Another publication, *Alaska Sport Fishing Guide*, is available for one dollar from the Alaska Department of Fish and Game, Sport Fish Division, Support Building, Juneau, Alaska, 99801. This booklet contains maps of the roadside fisheries of the State and information concerning the species present, time of abundance, and the most suitable tackle.
