

MOUNTAINEERING CLUB OF ALASKA
MAY 1975

BOX 2037

ANCHORAGE, ALASKA 99510
VOLUME XVII No. 5

MAY MEETING

ATTENTION!! Please note change in May Meeting Time and Place!!

Wednesday, May 21, 1975 7:30 PM Clark Junior High School - Multipurpose Room
Double Feature Slide Show Spectacular!! 150 South Bragaw
Mt. Augustine - John Nicholson
Mt. Foraker, winter ascent - Steve and Gary Tandy, Larry Tedrick

SUMMER CLIMBING SCHEDULE

All one day climbs, leave Valu-Mart parking lot at 7:00 AM.

For information call: Ned Lewis, 277-4672, or Fritz Rieger, 277-8979

<u>MAY</u>		<u>JULY</u>	
24-25-26	Eastern Alaska Range - Silvertip	4-5-6	Montana Peak
24-25-26	Fern Mine Weekend - call Ned Lewis	4-5-6	Whiteout Cabin Weekend
24	South Suicide, 7 AM Valu-Mart	4-5-6	Crow Pass (1, 2, or 3 days)* Summit Mountain, Crow Peak
31	Temptation Peak, 7 AM, Valu-Mart	12	Bold Peak*
		19	Pioneer Peak*
		26-27	Trident* (via Falls Creek)
<u>JUNE</u>		<u>AUGUST</u>	
7	East Twin, 7 AM Valu-Mart		
14-15	Willawaw, 7 AM Valu-Mart		
21-22	Reed Lakes Weekend - The Lynx	2	Granite Peak*
21-22	Eklutna Glacier - Climbing School Only	9-10	Mt. Ascension* - from Lost Lake
21-22	Flattop Sleep-in	16-17	Fern Mine Weekend - Intermediate Rock School
28	Higher Spire*	23	Peek-a-Boo Peak
29	Lower Tower		

* Experience Climb for climbing school students. All MCAer's welcome on all climbs.

HIKING SCHEDULE

May 24-25 TAZLINA LAKE SKI OR HIKE. Call John Nevin, 822-3240.
May 31-June 1 BENCH LAKE CABIN, JOHNSON LAKE TRAIL. Call Dora Agosti, 279-2901
June 7-8 CHICKALOON-KNIK-NELCHINA-PURINTON CREEK. Call Wes Howe, 745-4341.
June 14-15 BOLD PEAK HIKE AND CLIMB. Call Bill Stivers, 277-2869.

MINUTES OF GENERAL MEETING, MOUNTAINEERING CLUB OF ALASKA

April 16, 1975, 8:00 PM, Old Pioneer School House, Anchorage, Alaska.

The meeting was called to order by President FRITZ RIEGER. The Treasurer's report shows a balance in the checking account of \$649.64, and in the savings account of \$382.83.

The Executive Board agreed that MCA should join the Federation of Western Outdoor Clubs for a fee of \$30.00. The Club would have access to a lobbyist by joining.

NED LEWIS is the new climbing chairman. Five of the six climbs scheduled in the last month have gone off as scheduled. SHAWN OXFORD is the new equipment chairman. His telephone number is 279-3283.

TOM MEACHAM, Conservation Committee chairman, gave a report on the Hatcher Pass recreation area proposal. DONA AGOSTI, Hiking Committee coordinator, says we have many hikes scheduled, but the response has been limited. The Katmai information sheet is ready. ROD WILSON, co-chairman of Geographical Names Committee, gave a report on the renaming of the Ruth Amphitheater as the Don Sheldon Amphitheater. The Huts Committee still needs a coordinator. The committee has a trip planned to Mint Glacier Hut and to Eklutna Hut to survey their condition.

TERRY McWILLIAMS, coordinator of the Climbing Schools, reported that two kinds of schools will be offered. One is an Introduction to Backpacking and the other is a basic Climbing School.

BILL BARNES, JR., last year's president, was awarded an ice axe in appreciation of his service.

MCA has been asked to participate in the Clean-Up for Hope, May 10. TERRY McWILLIAMS will act as coordinator.

TOM MEACHAM moved that we extend an honorary membership to PAUL CREWS. The motion was seconded and passed unanimously.

PRESIDENT'S PEN

MCA programs during the past month were a mixture of grand successes and lesser frustrations. The Matanuska Glacier practice ran like clockwork thanks to the efforts of the ARG. The backpacking class was enthusiastically received and the final preparations for the climbing school are under way. Our thanks to the instructors who are generously donating their time and talents to these activities.

The late spring and heavy soggy snow have thwarted a number of MCA trips in recent weeks. Last minute cancellations or changes in destination became commonplace in April and point out the need for better communications within the Club. The upcoming nice weather will evaporate our excuses for cancellations anyway!

Noble efforts were made by the Huts Committee. PAUL CREWS donated two weekends, his airplane and considerable skill as a glacier pilot in an attempt to reconnoitre the Eklutna-Whiteout cabins. Turbulence prevented a landing on the glacier, but we gained an appreciation of the logistics involved in reaching the cabins. NED LEWIS led a reconnaissance ski tour in the direction of the Mint Glacier cabin, but was diverted to Snowbird Mine by poor skiing in the Little Susitna Valley.

We would like to encourage all members to participate in the climbs scheduled for the summer. Many trips have a choice of routes which offer both technical challenges for

PRESIDENT'S PEN continued

those who seek them and straightforward approaches for the rest of us. Hikers are welcome and can stop at the appropriate places. The designation "experience climb" on the schedule simply means that the trip is suggested for recent graduates of the climbing school. All MCAer's are welcome. We still need leaders for some of these climbs. Please be generous and offer to lead at least one trip this summer.

We receive about two "urgent" calls a week from the Alaska Center for the Environment asking for MCA input at hearings, etc., particularly concerning disposition of public lands having some climbing interest. The Conservation Committee needs additional volunteers to help with these requests. Call TOM MEACHAM, 277-2109.

Finally, let's plan an MCA Barbecue in June. Our backyard is fine. We need suggestions, ideas for games, etc.

HIKE-OUTS

Last month SCREE announced that Hike-Out was alive and well for the summer of 1975. However, there were some errors in the account, so the following is a correction:

Hike-Out is for young people ages 10-13 and consists of day hikes once a week for one month. The hikes begin the week of June 15. The cost is \$2 for four hikes and applications and information may be obtained at the Alaska Center for the Environment, 913 West 6th, 274-3621. Applications are due at the Center by June 6.

This year Hike-Out is sponsored by the Center, MCA, and St. Mary's Creative Institute. Co-directors are Sally Givert, 279-3908, and Roger Fuson, 344-5112.

We need lots of leaders for these hikes because we plan to have two leaders for each "team" of 7-10 kids. Those volunteering should be willing to lead their team once a week (e.g. on consecutive Tuesdays). If you can't commit yourself for four weeks, we still could use your help as an alternate. Come to the May 21 meeting and either Sally or Roger will be there to answer questions.

SNOW BIRD - FERN MINES, MAY 3-4

After a quick survey of the rotten snow conditions leading toward Mint Glacier, NED LEWIS, SUE WREN, HARVEY BOWERS, and PAUL JANKY got off to a slow start at the Susitna Roadhouse. Despite the crappy snow conditions, we enjoyed the ski-in, and after skiing around above the Snow Bird Mine, we stayed there for the night. A game of hearts served as the evening's entertainment. On Sunday we left our packs at the fork in the trail and skied into Fern Mine. The weather was cooperating, and we all got a little sunburnt. The ski-out found us again digging holes in the rotten snow with our bodies.

Ned Lewis

FOR SALE

Optimus 111B - "the blowtorch" - used twice. \$25.
Gallibier "Walker" heavy duty boots - purchased in France - size 9. \$30.
Tubbs 56" snow-shoe kit, unassembled. \$35.

Fritz Rieger, 277-8979.

BITS AND PIECES

PAUL JANKE, BRUCE HILLIARD, JIM RENKERT, and NED LEWIS, along with two dogs from a homestead near Eklutna Lake, climbed West Twin on May 10. Gusty winds and showers accompanied the climbers along the route of rotten snow and rocks. No skis were used. Four hours to the summit, arriving at 1 PM. Two hours to descend.

DURHANE and FRITZ RIEGER ambled through the alder above Rainbow Valley on the way to Helga's Mountain on May 10. Lots of wind and the first mosquitoes of the season

A party-organization meeting was held for prospective climbing school instructors at the Rieger's on May 7. So enthusiastic and engrossing was the conversation that much beer (but no food) remained after all went home. The beer will be donated to the June MCA Barbecue.

ARG - Glacier Rescue Practice

Held as scheduled - more or less - at the end of April. The only injury occurred before the classroom session on April 24 when GIL TODD, organizer of the practice, attempted to vault a fence in his backyard and broke a bone in his foot. NORM STADEM conducted the session at the Turnagain School Gym where ropes were set up for prussick practice. Sunday, April 27, BARRY KIRCHER, MIKE RICHARDSON, and JIM HOLLOWAY led a class of nine students in a practice session on Matanuska Glacier including self rescue, pulley systems, and self arrest. (Note: the cost is now \$3.50 per car to use the road to the Glacier.)

FIRST WINTER ASCENT OF MOUNT FORAKER (17,400')

On March 14, 1975, Steve and Gary Tandy made the first winter ascent of Mt. Foraker, Mt. McKinley's western companion in the Alaska Range. This achievement marks the second-highest winter climb in Alaska, trailing only the climb of McKinley itself in 1967.

A party consisting of the Tandy brothers and five other Anchorage climbers, Don and Dave Pahlke, Larry Tedrick, Brian Miskil, and Gaylan McCord flew to the mountain on February 13 and attempted a direct southern ridge route. Poor ice conditions on the steep ridge, combined with a 180-foot fall by Tedrick (which fortunately resulted in no more than a fractured rib) caused the party to retreat to base camp on the 24th day.

All of the climbers flew out with the exception of the Tandy brothers who remained to make an Alpine-style assault by the Southeast Ridge route, carrying all of their supplies at once, without using relays. On their summit day, the two brothers made a marathon climb from their camp at 13,200 feet to the 17,400-foot summit and returned.

(Note: the complete account of this winter expedition will be one of the slide presentations at the May MCA meeting.)

CONSERVATION COMMENTS

A bill to create a Hatcher Pass Recreation Area and a Talkeetna Mountains Park is working its way through the legislature in Juneau. The Talkeetna Mountains Park would be much larger than the Hatcher Pass State Park proposal which failed in Juneau last year. The proposed Recreation Area is now drawn so as to eliminate the active mining area which caused the defeat of the previous bill.

The Talkeetna Park portion of the bill looks especially promising to mountaineers, since the proposed park area is larger than Chugach State Park. Interested MCA'ers should write or wire their Anchorage-area or Palmer-area legislators very soon. Do it today!

The Cook Inlet Native Corporation has proposed to amend the Native Claims Settlement Act to permit it to select its land entitlement from the Anchorage area and the Swanson River-Swan Lake area on the Kenai. The areas of most interest to Anchorage which the Corporation wants to own are Campbell Airstrip (the Bicentennial Park, or portions of it), Point Campbell Military Reservation, and Point Woronzof.

Have you used these areas for public recreation and open-space enjoyment? Do you want to in the future? Our Congressional Delegation in Washington (Senators Gravel and Stevens, and Rep. Young) would like to receive your comments on these proposed land transfers. The time is short because several bills amending the Native Claims Act are going before Congressional Committees this week.

Tom Meacham

NOTICES

BOARD MEETING - Tuesday, June 2, 1975 at 8:00 pm.
2106 W. Northern Lights Blvd.

FIRST AID - Two courses will be offered this spring.

- I. 8 hr. Red Cross Multi-Media Basic Course - one day session. Saturday May 31 at 8:00 AM. To be held in the Meeting Room of the Anchorage Water Utility Building, 3000 Arctic Blvd. \$4.00 donation to Red Cross (plus cost of book).

- II. 24 hr. Red Cross First Aid and Personal Safety. Will be given in eight 3-hr sessions on Monday and Wednesday evenings in June. Meeting Place to be announced. \$4.00 donation to Red Cross plus supplies.

To register for either course or if you are interested in attending an advanced course, call Terry Reese, 274-9127.

HIKING - Please note that the Tazlina Lake trip scheduled for May 24, 25 & 26 may be done as a one, two, or three-day trip. For details on this and other hikes, call Dona Agosti, 279-2901.
