MCA CLIMBING EQUIPMENT RULES

The MCA maintains a stock of equipment for use by members at AMH, 2633 Spenard Road, Anchorage, AK, 272-1811. This equipment includes ice axes, crampons, helmets, pieps, and shovels.

Rules:

1. Equipment is loaned only to card-carrying members - if you don't have a card, it is your responsibility to get one. There will be no exceptions. Please have old cards updated.

2. Equipment is to be returned in a timely manner - normally, this means taken out Friday and returned by Monday. No long-term borrowing is allowed. This equipment is not for use on private expeditions!
3. Club trips and schools have priority for all equipment. Leaders of these activities should notify us for reservations.
4. Limit - 1 set of gear per card (i.e., 1 axe, 1 set of crampons, 1 pieps, etc.) for the member's personal use.
5. Members may be subject to loss of equipment privileges if equipment is returned late. If equipment is broken, please return the pieces. If equipment is lost you are responsible for replacement.

It is requested that members remember that AMH is a store, and that we have to take care of our paying customers, too. So please be patient and try to avoid peak business hours. If there are any questions please call Terry Becker at AMH, 272-1811.

TALKEETNA MOUNTAIN HIKE

Talkeetna Mountain Hike from Tsisi Lake to Game Lake (about thirty or more miles), will begin July 3 and end July 10. We will fly in from Talkeetna with Jim Okonek in a 185 which carries three passengers and packs at a cost of \$190 per hour. Estimated flight time is about one hour which computes to about \$64.00 per person per trip or \$130 in and out.

This country is above timberline and we should see much wildlife. Tsisi Lake is located about 12 miles south of the Susitna River and about 11 miles southwest of Watana Lake. It flows into Tsisi Creek. Game Lake (altitude 2710) is a few miles north of the Talkeetna River and about 8 miles southeast of Daneka Lake.

As in the past, Leader Dona Agosti will require equipment checks for each backpacker. This check is tentatively set for Thursday, June 28, at 2324 Loussac Drive, at 7 p.m. Call Dona at 248-0090 for details.

In March and April we will have several practice climbs for those people contemplating an expedition later this year. We will review basic techniques (rope handling, self-arrest, crevasse rescue, etc.), winter camping, and glacier travel. The emphasis will be on review, so some previous climbing experience or a basic mountaineering course will be required.

| March 4 | <u>Boy Scout Rock</u> - crevasse rescue; Easy |
| March 17, 18 | <u>Kings Mountain</u> (Chugach Range) - overnight climb, winter camping; if Matanuska River is not frozen we'll go elsewhere; Moderate |

MEMBERSHIP DIRECTORY

Happy New Year!

For me, this one has come on the heels of the last. Time is accelerating as I get busier with multiplying projects. Too often, the weekends, much less the New Years, are catching me by surprise - the week is gone before I've had a chance to make plans with anyone.

I imagine that happens to quite a few of us. The Mountaineering Club is working on a couple of methods to get around the problem of members who want to get together on a spontaneous basis. One is the Membership Services Committee, which is explained elsewhere in this issue.

Also, we're planning to put together a membership directory. Given sufficient interest, we'll establish it from returns of the questionnaire printed below. We hope to publish the directory by April.

The directory should be a particular benefit to new members, or to those who want to set up a trip at the last moment, but don't have the phone numbers of people they've met at past meetings.

If you want to be included in the directory, please fill out the questionnaire with information you want printed. (We'd like to at least get your name and address.) Send the questionnaire, or a facsimile, in as soon as possible. We're going to judge interest by the number of returns.

P.S. If you're scheduling any trips for late February or March you might consider sharing your plans at the February meeting. A good amount of interest in winter outings has been shown, but we do need trip organizers.

VOLUNTEERS NEEDED TO HELP ASSEMBLE SCREE

Do you think you might be able to spare 2 hours a month to help prepare the SCREE for mailing? Your assistance would be appreciated. For information please call Jane Stammen, 349-5885, or Linda White, 274-4989.

MEMBERSHIP SERVICES COMMITTEE

If you are planning a trip and are looking for partners or want to know of others' plans, call Eileen Cavanaugh, 337-1394, Reggie Buchanan, 333-7649, or Willy Hersman, 338-5132.
