Dear Ms. Bose:

As required by 18 C.F.R. § 157.21(f)(5), the Applicants are submitting the attached preliminary draft of Resource Report No. 1, and the table of contents for Resource Report No. 10 that serves as a summary of the alternatives under consideration for the Project, within 30 days of the FERC's letter order approving the start of the pre-filing process. Please note that the landowner mailing list will be filed as privileged information under separate cover.

Sincerely,

Charlie Kominas
