

MAS sites either not found, sampled, or examined

Name	Map no.
ABC	D1
Hurc	D2
Hope	D3
Katherine Whitfield	D4
Battleship Island	D5
Allied Mine Group C	D6
BJB	D7
Kupreanof Mountain	D8
Upper Duncan Canal	D9
Portage Mountain Group	D10
Lemke No. 1	D11
Silver Bell 1-2	D12
West Wrangell Narrows	D13
Panacea	D14
Treasure Island	D15
Lucky Lady	D16
Quiet Harbor	D17
Zimovia 4-5	D18
Aurora 1 & 2	D19
Fools Inlet	D20
Jerry	D21
Boone	D22
CB 1 & 2	D23
Kloss-Davis Group	D24
Admiral Group	D25
Calico No. 1	D26
Whistlepig Placer 1-16	D27
Whistlepig	D28
Aching Back No. 1	D29
White River	D30
Zimovia	D31
KAB	D32
Last Chance	D33

MAS refers to Minerals Availability System
(former US Bureau of Mines minerals database)

- City / town
- Sample location / map no.
- MAS site either not found, sampled, or examined
- International boundary

Projection: Universal Transverse Mercator, 1927 North American Datum, Zone 8
Date of Map: 2003
Source / Date of data:
Topography: USGS quadrangle series, 1:250,000 (SunDum, Sitka, Port Alexander, Petersburg, Bridgford Canal, Craig). Date: 1950s - 1980s
Sample locations: BLM. Date: 1967 - 2000
Contour: USGS quadrangle maps. Date: 1950s - 1980s
Coastline: Modified by JMC using USGS quadrangle maps, 1:63,360. Date: 1950s - 1980s

Contour interval - 200 feet
Topography restricted to Sitka area boundary
Map is available as part of TR 51 (BLM-Alaska)
