

Donlin Gold Project EIS

Mail-in Comment Form

You can submit comments using the form on the website (www.DonlinGoldEIS.com), in person at a public scoping meeting, or in writing (at a meeting or by mail). If you'd like to mail your comments, please feel free to use this form. Write your comments, questions, and suggestions below, then fold this page in thirds so that the mailing address shows. Remember to affix first-class postage before putting it in the mail.

The following questions may help:

RECEIVED
FEB 27 2013

- * If the project goes forward, how might it affect you and your community?
- What is most important to you to know about the proposed project?
- What are your concerns about this project?

Are there particular animals, fish, or places that you use that might be affected by the project?

- * Water: ~~current~~ that will come out of Kaskokum & the current will flow up along the coast to Yukon Delta.
- containing the water. What water: force will be affecting it & how safe is it going to be. if there is any spill
- Water that will be affecting Herring eggs, clam and all rivers along the coast will have current like: in & out.
