## MEMORANDUM

TO: Kevin Buckland  
Finance Officer, ADF&G

FROM: Phillip R. Mundy, PhD *PRM*  
Science Director, EVOS

RE: Attached Billing for DOR Investment Management Fees  
RSA: ADF&G ADN #1135115

DATE: July 17, 2003

The attached billing (6/13/03 memo from B. Martin to M. McCammon) identifies investment management fees incurred of \$22,447.52 for the period January 1-March 31, 2003. This bill is to be paid from funds currently in the EVOS Investment Fund, as follows:

From Research Sub-account	\$13,917.46
From Habitat Sub-account	\$ 3,816.08
From Koniag Sub-account	<u>\$ 4,713.98</u>
	\$22,447.52

The Market Value spreadsheet attached represents new basis point breakdowns, as the first spreadsheet sent on July 2, 2003 was not correct. Even though the fee charge did not change because the fees used to calculate the first billing are all within the range approved by the board.

Please let me know if you need any additional information or have any questions.
