Forest Forever/Eyak Rainforest Preservation Fund

Dear Exxon Valdez Oil Spill Trustees Council,

I want to save up to 70,000 acres of ancient rainforest in Prince William Sound by supporting a timber buyback of Eyak Corp. land in imminent threat of clearcut in Orca Narrows. I support a timber rights purchase plan proposed by the Eyak Rainforest Preservation Fund and the Coastal Coalition. I want this Forest Forever deal negotiated and signed **NOW** to prevent logging on this land in perpetuity.

Phase One of this deal would ~~empower~~ the trustees council to purchase timber rights from the Eyak Corp. so that logging never occurs in this ancient rainforest. Phase Two of the deal would create a three-year moratorium on current land-use rules to negotiate the finer details of the Forest Forever plan; allowing the federal government, concerned citizens, and the Eyak shareholders a chance to iron out the legal terms (i.e. conservation easements) for how the land would be protected and managed.

Respectfully,

DOUG GRINBERGS
