## MEDIA NOTICE

### 2005 MARINE SCIENCE SYMPOSIUM TO BE HELD IN ANCHORAGE

ANCHORAGE—A coalition of marine research organizations are hosting a 3-day marine science symposium in Anchorage at the Hilton Anchorage, January 24-26, 2005. The symposium is free and open to the public, although pre-registration at [http://www.evostc.state.ak.us/events/2005\\_Symposium/workshop.html](http://www.evostc.state.ak.us/events/2005_Symposium/workshop.html) is strongly encouraged. The symposium includes sessions on climate change and oil spill impacts, fisheries oceanography, ocean observing systems, species at risk, and applied fisheries management. A highlight of the symposium is a 2 hour special session Monday evening January 25 beginning at 7:00 p.m. focusing on the oil impacts still existing in Prince William Sound.

For Science Symposium agenda see:

[http://www.evostc.state.ak.us/events/2005\\_Symposium/Docs/Agenda.pdf](http://www.evostc.state.ak.us/events/2005_Symposium/Docs/Agenda.pdf)

### **MEDIA NOTICE**

### **2005 MARINE SCIENCE SYMPOSIUM TO BE HELD IN ANCHORAGE**

ANCHORAGE—A coalition of marine research organizations are hosting a 3-day marine science symposium in Anchorage at the Hilton Anchorage, January 24-26, 2005. The symposium is free and open to the public, although pre-registration at [http://www.evostc.state.ak.us/events/2005\\_Symposium/workshop.html](http://www.evostc.state.ak.us/events/2005_Symposium/workshop.html) is strongly encouraged. The symposium includes sessions on climate change and oil spill impacts, fisheries oceanography, ocean observing systems, species at risk, and applied fisheries management. A highlight of the symposium is a 2 hour special session Monday evening January 25 beginning at 7:00 p.m. focusing on the oil impacts still existing in Prince William Sound.

For Science Symposium agenda see:
