MAY 26 2010

Dear Reviewer:

In accordance with provisions of the National Environmental Policy Act (NEPA), we encourage you to view the National Oceanic and Atmospheric Administration (NOAA) *Draft Supplemental Environmental Impact Statement (DSEIS) for the Exxon Valdez Oil Spill Restoration Plan* at the following website, <http://www.evostc.state.ak.us/NEPA/>.

This DSEIS is prepared pursuant to NEPA to assess the environmental impacts associated with NOAA proceeding to take action regarding significant new circumstances bearing on the *Exxon Valdez Oil Spill Trustee Council's* (Council) restoration efforts as assessed in the original EIS. Specifically, as the restoration funds remaining from the *Exxon Valdez* settlement diminish, the Council seeks a more discrete and efficient funding mechanism by which to direct the remaining funds.

Written comments on the DSEIS should be directed via mail, fax, or electronic mail to the responsible official identified below by July 19th, 2010.

Responsible Official:

Laurel Jennings
