The nomination information is what was provided and has not been substantiated. A letter needs to be written regarding ex-officio seats. Peg will draft the letter for Dave's signature. Marty will do a cover letter summarizing the nomination letters, including designated seats. Marty requested that LJ synopsise by the end of 6/17 the letters received prior to this nomination process. Marty will do a principal interests and location table as requested by McVee. The binder for the Trustee Council will contain Marty's cover letter, three summary charts, nominations, and letters dealing with Public Advisory Group comments. Ron will obtain 31 dividers for each binder.
