Dear Ms. Strickland:

A copy of your letter of February 16, 1982, to Mr. Richard Sims has been received. Please be advised that funding for the preparation of minutes is controlled by the Division of Land and Water Management. We find that we are not in a position to enter into any kind of contractual arrangement with you concerning the preparation of the minutes of the water board meetings. Should we need your services in the future, we will be in touch with you. Thank you for your assistance in the past.

Very truly yours,

  
J. W. Sedwick  
Director
