DEPARTMENT OF NATURAL RESOURCES
Pouch "M"

Dear Jeff:

At the December 4-5 meeting of the Water Resources Board, we were presented your new project component budget system.

That presentation was met with the same enthusiasm you and I saw at the budget subcommittee meetings of two weeks ago. The results were that we all felt this budget is an invaluable management and public information tool.

The Water Resources Board stands ready to assist you in any way we can to support this new budget presentation.

Yours very truly,

RICHARD H. SIMS
Chairman
