Dear Sirs: :

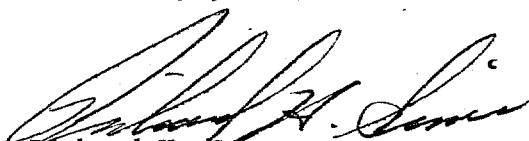

On behalf of the Water Resources Board and myself, I wish to express our gratitude for the time and consideration extended to us during our meeting in Juneau.

It is always pleasing to hear of positive accomplishments. I do wish to reiterate our desire to hear from you with both positive and negative responses.

Your your information, we have decided to attempt the inventory of water related programs and priorities. We will keep you advised of our progress.

Again, thank you for your time.

Very truly yours,

Richard H. Sims  
Chairman
