This document is copyrighted material.

Alaska Resources Library and Information Services (ARLIS) is providing this excerpt in an attempt to identify and post all documents from the Susitna Hydroelectric Project.

This book is identified as number **APA 2223** in the *Susitna Hydroelectric Project Document Index* (1988) compiled by the Alaska Power Authority (APA).

We are unable to post it online in its entirety. Selected pages are displayed here to identify the published work.

The book is available in the ARLIS Susitna collection at call number TK1425.S8A23 no. 2223.

Right-of-Way Ecological Effects Bibliography

EA-1080
Research Project 855-1

Topical Report, May 1979

ORDERING INFORMATION

Requests for copies of this report should be directed to Research Reports Center (RRC), Box 10090, Palo Alto, CA 94303, (415) 961-9043. There is no charge for reports requested by EPRI member utilities and affiliates, contributing nonmembers, U.S. utility associations, U.S. government agencies (federal, state, and local), media, and foreign organizations with which EPRI has an information exchange agreement. On request, RRC will send a catalog of EPRI reports.
