

Personal communication related to Wildlife Position Papers W-2 and W-13.
Susitna Hydroelectric Project.

Person Contacted: Gorden N. Hizey
Logistics Director
Harza-Ebasco Susitna Joint Venture
711 H Street
Anchorage, AK. 99501

Contacted By: Charles Elliott, February 26, 1985.

Subject: Bear denning activities associated with the construction of the
TransAlaskan Oil Pipeline.

Comments:

Mr. Hizey related that during construction of the pipeline a black bear was observed to den under the medical facility at 5 Mile camp. The bear used the den for three consecutive years. No incidents involving the bear and construction workers was ever recorded.
