

Saturday 22 July 1978

Plan of Robert River A. H. site (20 scale) (MCG-001)

Main channel Fatima River 200 yd. N of site; Kuckuk River ca 200 yd. W of site.

Side channel of Fatima dry when we were there
but water table must be near surface
because of appreciable number of
mature dead spruces in
this gravel stream bed ca
100 ft NW cabin

20 scale

Clearing roughly triangular
120' x 90'

- S-1 - cabin
- S-2 - small, hand-hewn building with red sheet iron shingle roof, partially collapsed
- S-3 - dog barn, partially collapsed
- S-4 - privy (collapsed)
- S-5 - dog house
