STATEMENT OF SIGNIFICANCE:

Poorman experienced a small gold rush around 1913. Several Stations were built in the area and in later years a road connected Poorman with Ruby. Gold mining activities have however, continued up until the present time.

Ruins of the original miners station and attached shed are still located on the site in a poor condition.

~~James~~ Cox's Roadhouse operated at Poorman in 1913.

1916 AEC records indicate that a "stable" roadhouse was in operation at Poorman
