

SUS38 Susitna Hydroelectric Feasibility Report Final Draft is split into seven volumes. This report is the same as APA Document Numbers 174-182.

Susitna Hydroelectric Feasibility Report Volume I: Engineering and Economic aspects - Sections 1-8

SUS38 Volume II is split into two parts, linked below.

Susitna Hydroelectric Feasibility Report Volume II: Environmental Report - Sections 1-4

Susitna Hydroelectric Feasibility Report Volume II: Environmental Report - Sections 5-11

Susitna Hydroelectric Feasibility Report Volume III: Plates

Susitna Hydroelectric Feasibility Report Volume IV: Appendix A - Hydrological Study

Susitna Hydroelectric Feasibility Report Volume V: Appendix B – Design Development Studies

Susitna Hydroelectric Feasibility Report Volume VI: Appendix C - Cost Estimates

Susitna Hydroelectric Feasibility Report Volume VII: Appendix D – Coordination and Public Participation
