

MACROINVERTEBRATE PRODUCTION AND BIRD USE STUDY

Water bodies used for studies of invertebrate production, waterbird use, and Pacific Loon breeding biology in 1992 Prudhoe Bay, Alaska. For specific site names refer to appendices K (bird use) and L, M (loon nests).

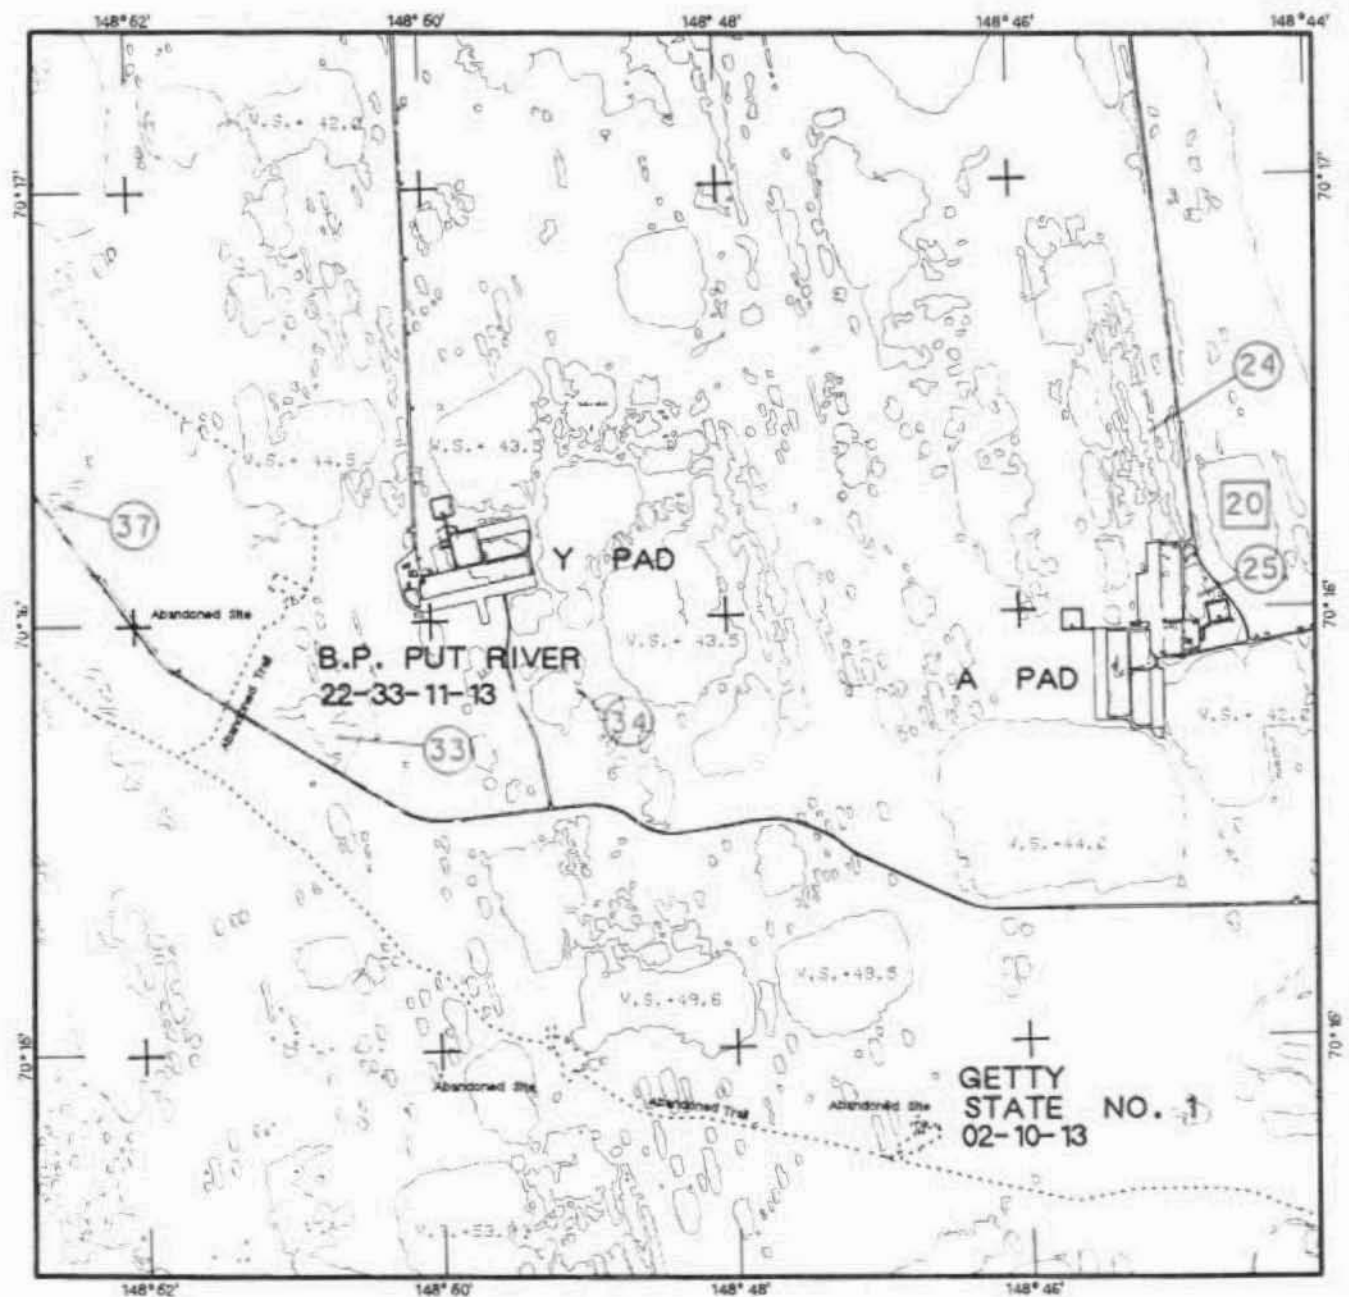

- Invertebrate Study Site
- Bird Use Site
- Loon Nest Site

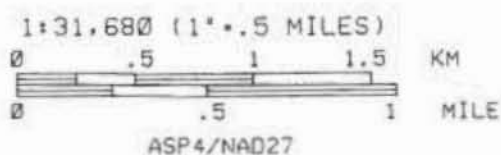

BASE MAPPING FROM 1973 AERIAL PHOTOGRAPHY. FACILITIES HAVE BEEN UPDATED THROUGH 1988.

RD1, FEB. 1993, APPENDIX A

MACROINVERTEBRATE PRODUCTION AND BIRD USE STUDY

Water bodies used for studies of invertebrate production, waterbird use, and Pacific Loon breeding biology in 1992, Prudhoe Bay, Alaska. For specific site names refer to appendices K (bird use) and L, M (loon nests).

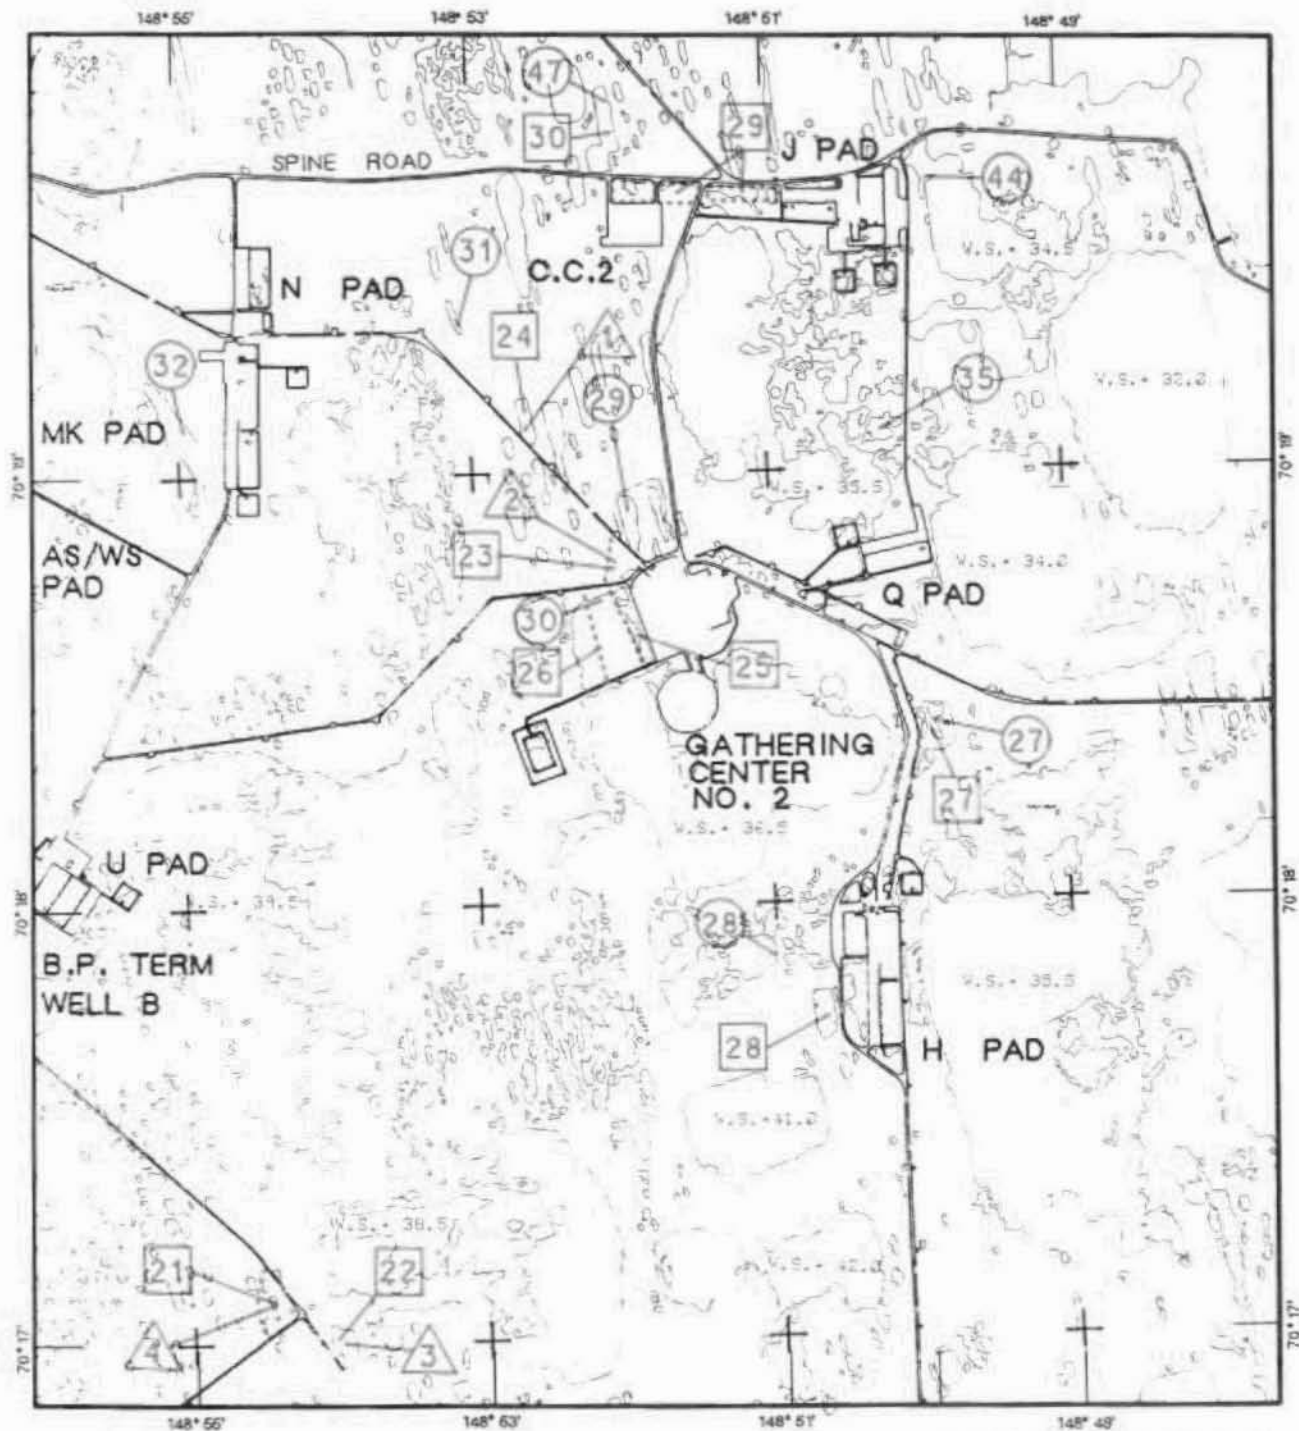

-  Invertebrate Study Site
-  Bird use Site
-  Loon Nest Site

BASE MAPPING FROM 1973 AERIAL PHOTOGRAPHY. FACILITIES HAVE BEEN UPDATED THROUGH 1988.

RDI, FEB. 1993, APPENDIX B

MACROINVERTEBRATE PRODUCTION AND BIRD USE STUDY

Water bodies used for studies of invertebrate production, waterbird use, and Pacific Loon breeding biology in 1992, Prudhoe Bay, Alaska. For specific site names refer to appendices H - J (invertebrates), K (bird use), and L, M (loon nests).

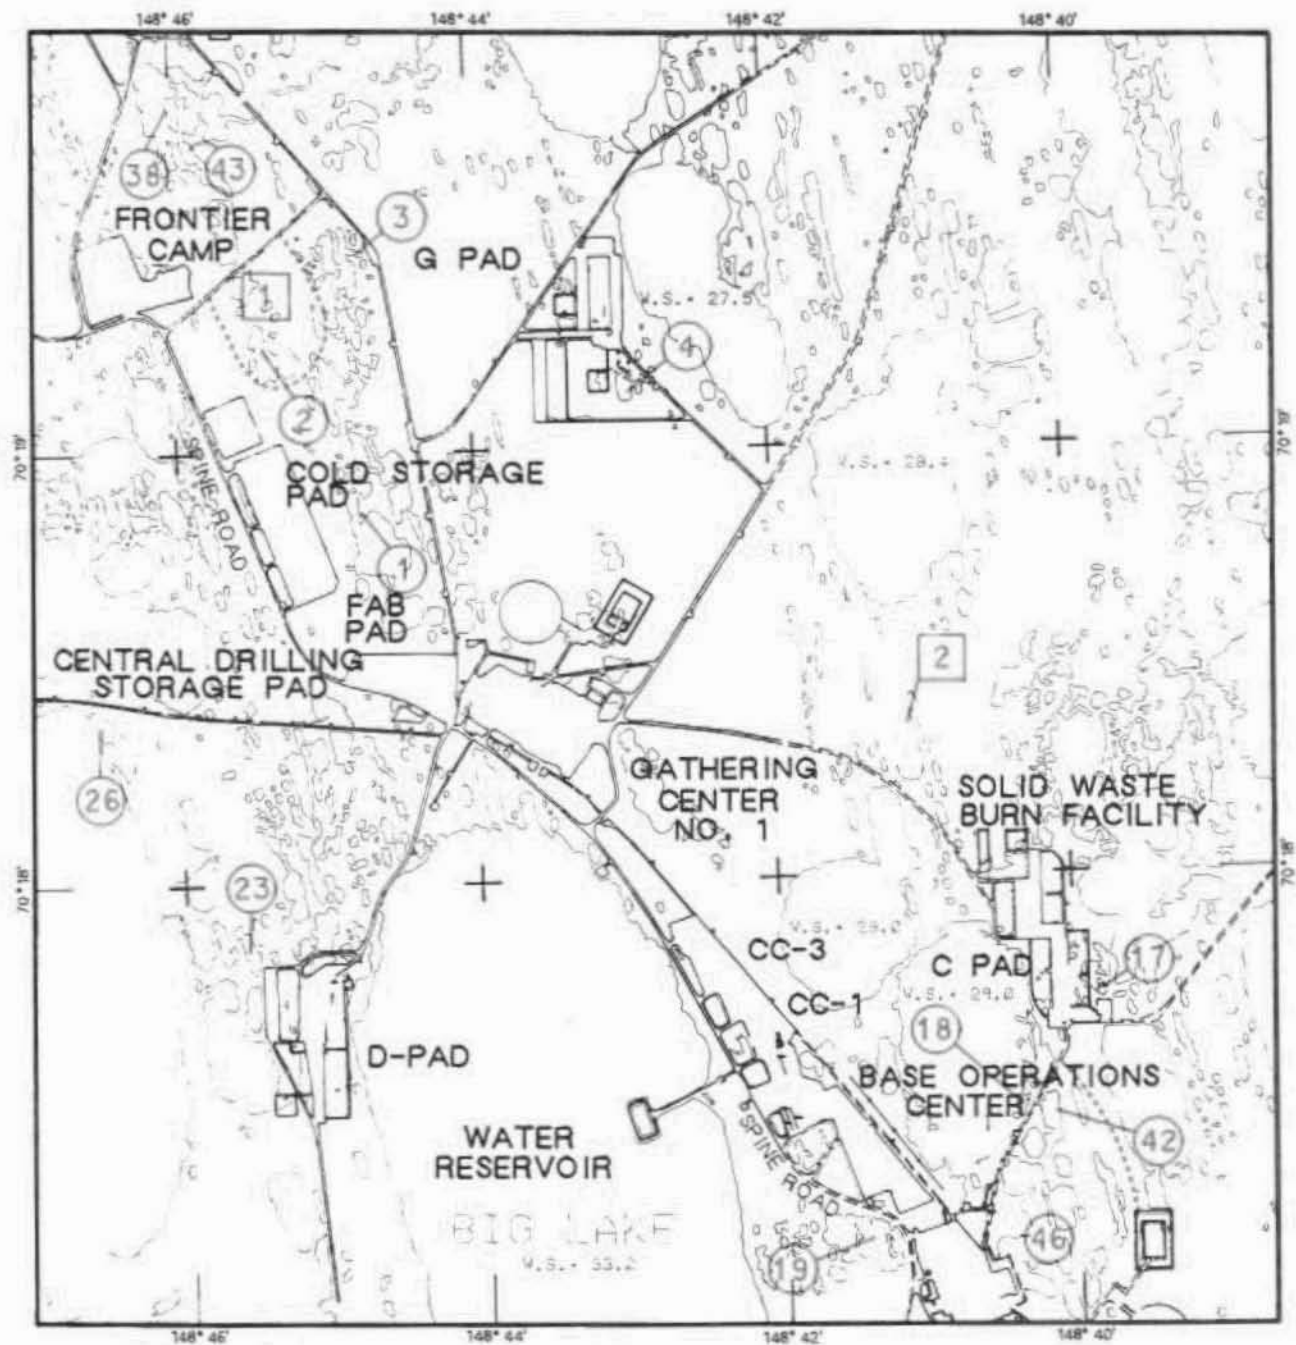

BASE MAPPING FROM 1973 AERIAL PHOTOGRAPHY. FACILITIES HAVE BEEN UPDATED THROUGH 1988.

ASP4/NAD27
